

THINK SNOW

2015 Fall Newsletter

*Effective with the 2015-2016 season **Kingston & Pembroke (K&P) Snow Trails Association** has ceased business operations. All activities including, OFSC trail permits, maintenance of trails, landowner liaison, volunteer and member relationships will be managed by **Snow Road Snowmobile Club**. This change does not effect Landowner or Volunteer Insurance or any other aspects of our services.*

Please continue to support our club – Only the name is changed. The great trails network formerly managed under “K&P” remains unchanged.

For further information please call Ruth: 613-278-0477

Check out our website www.kptrails.com and our Facebook pages under Snow Road Snowmobile Club & K&P Snow Trails Association both will continue to be updated this season.

Our Landowners are Very Important to us, without our Landowners we would not have a trail system. Landowners grant permission for snowmobilers for the use of their lands for building our trails for the season. Please respect private property and stay on marked groomed trails to avoid damaging these lands and don't forget to thank your Landowners. These are not public trails for use of other users in the off season, unlawful access by ATV's or other off-road vehicle operators results in closure of trails.

We are a volunteer organization and appreciate your help and input to ensure the sustainability of this great winter sport. If you have a few hours to spare and would like to get involved come out to one of our meetings or contact anyone of the executive. See our web page for more information www.kptrails.com

Our trails are open as soon as we have permission from our various landowners and there is enough snow cover to safely groom the trails.

Water crossings will be staked and opened when there is sufficient ice for safe crossings. Please check trail conditions and observe the signage.

Signage is a key component of the OFSC risk management system, many of the legal claims against the OFSC indicate missing or inappropriate trail signage, please report missing signs to club contacts. We are making a major effort to improve our trail signage and if anyone can help we would greatly appreciate their efforts

SRSC General meetings are held at Snow Road Snowmobile Clubhouse, 1106 Gemmill Road, Snow Road, Ontario. Usually the third Friday of the month at 7:00 p.m. **Everyone is Welcome.** See schedule of events or website to confirm dates.

Snow Road Snowmobile Club executive and volunteers would like to thank their many loyal supporters who enjoyed our breakfasts and canteen offerings during the past season. Once again we'll be continuing with our hearty breakfasts, serving the "works" every second Saturday morning. These breakfasts are our main fundraiser, assisting us to pay the expenses for the clubhouse. The canteen will be open on the honour system again this year during snowmobile season. Hope to see you at our clubhouse throughout the winter and feel free to contact us anytime!

Local businesses are welcome to sponsor a breakfast (minimum \$100) and provide a sign with the advertisement they would like posted. These signs are displayed in the clubhouse for the duration of the breakfast and are later installed on the large storage trailer located in the clubhouse yard.

The clubhouse is a great starting point for your snowmobile tour, a warm place to change your clothing and a large parking area available for your truck and trailer.

All of our events are held at the Clubhouse. We welcome your ideas, suggestions and help. Thank you to our snowmobiling public as well as the local community members for your outstanding support. Thanks to everyone who organized, helped and participated in any and all events, our volunteers are the backbone of our club. We greatly appreciate your support.

Special Thanks to Hugh Colton & Town & Country Chrysler, Lake 88 and all our local newspapers for a Great Job Advertising our Events
